12 Signs
You Need a Professional Organizer

1. ☐ You immediately feel stress and unease when you open your front door.

2. ☐ Your bed is piled with things; therefore, you sleep elsewhere rather than uncover it.

3. ☐ You are often late for, or even forget, appointments.

4. ☐ You buy birthday cards labeled “belated,” if you remember to send them at all.

5. ☐ You miss opportunities because you can’t find “that paper,” email, etc.

6. ☐ You frequently extend or miss deadlines at work.

7 ☐ You don't socialize much because:

- You are always at home organizing.
- You would be embarrassed to have anyone in your home.
- It would take too long to get ready.
- All of the above.

8 ☐ You often pay bills late since you can't find them in time.

9 ☐ UFOs (Unidentified Food Objects) are in your refrigerator or pantry.

10 ☐ You regularly lose your keys, wallet, kids, money and sanity… in your home.

11 ☐ You have a storage unit for things that are not business-related.

12 ☐ You save things on your computer but can't find them.
